December 5, 2003

Sir:

Further to the Information Disclosure Statement filed September 30, 2003, the attention of the U.S. Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO-1449.

There was a typographical error in the previously submitted Form PTO-1449. Japanese Patent Publication No. 2002-147873 was incorrectly spelled as 2002-147874 in the previous Form PTO-1449. Also, copies in original Japanese language of Japanese Patent Publication Nos. 2002-213350 and 2002-147873 are enclosed.

No fee or certification is required in connection with this Information Disclosure Statement, since it is being submitted prior to the issuance of a first official action on the merits

or expiration of the three month period following the filing date (or the entry of the national stage) of the above-captioned application.

The above information is presented so that the Patent and Trademark Office can, in the first instance, determine any materiality thereof to the claimed invention. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the documents cited in the attached Form PTO-1449 be made of record therein and appear on the first page of any patent to issue therefrom.

The Commissioner is authorized to charge our Deposit Account No. 50-2866 for any fee which is deemed by the Patent and Trademark Office to be required to effect consideration of this statement.

Respectfully submitted,
